Materials Control Procedures for Issues & Transfers.

ISSUE REQUEST TRANSFERS

This document is meant to give procedures on how to transfer goods once an issue request has been placed.

Click on '**Transfers**' 

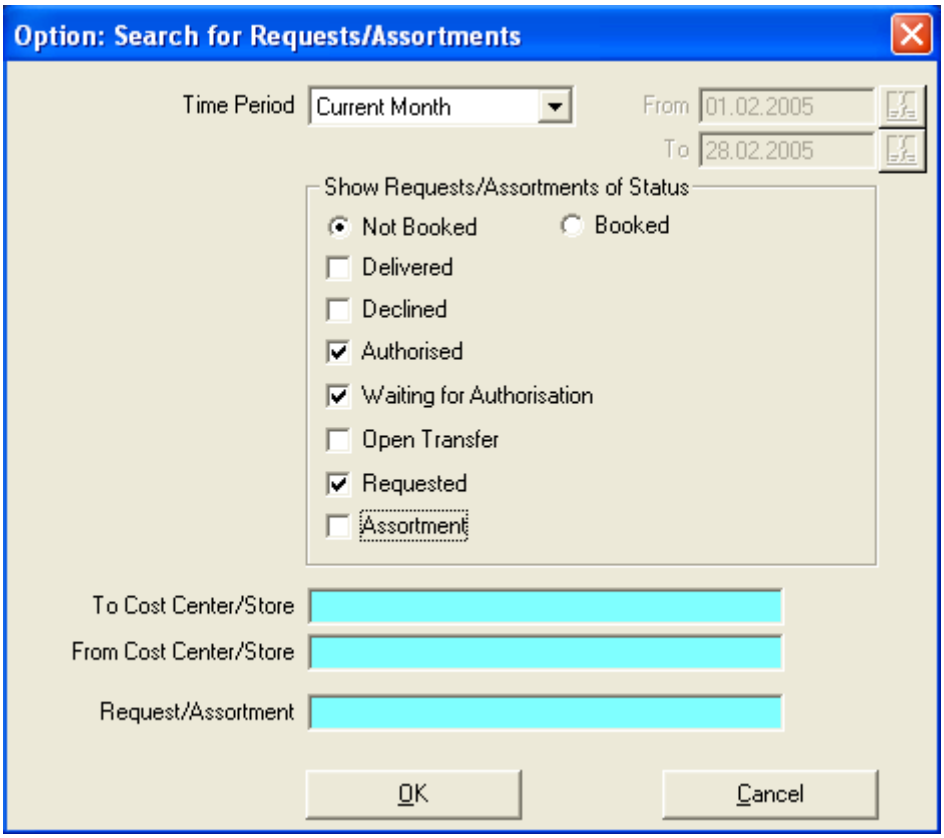

Icon under the Store short-cut bar, the following screen is displayed.

On this screen you will see all the issue requests that have been placed.

However if you do not see this, please click on the 'Open Folder' icon at the top 

The following screen is displayed:

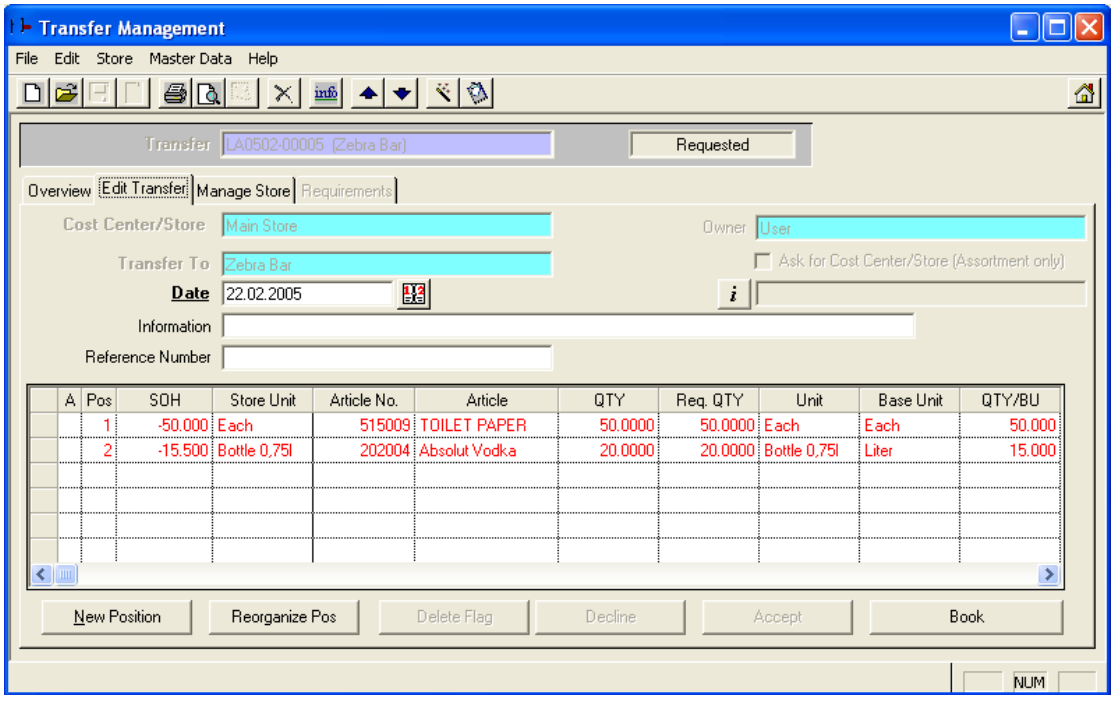

Please tick the boxes as above i.e. ‘Authorized’, ‘Waiting for Authorization’ & ‘Requested’:

Click on ‘**OK**’ 

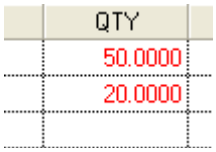

Now you will be able to see all the issue requests made to your store.

Highlight and Double-Click on an Issue Request on this screen.

The following screen will appear:

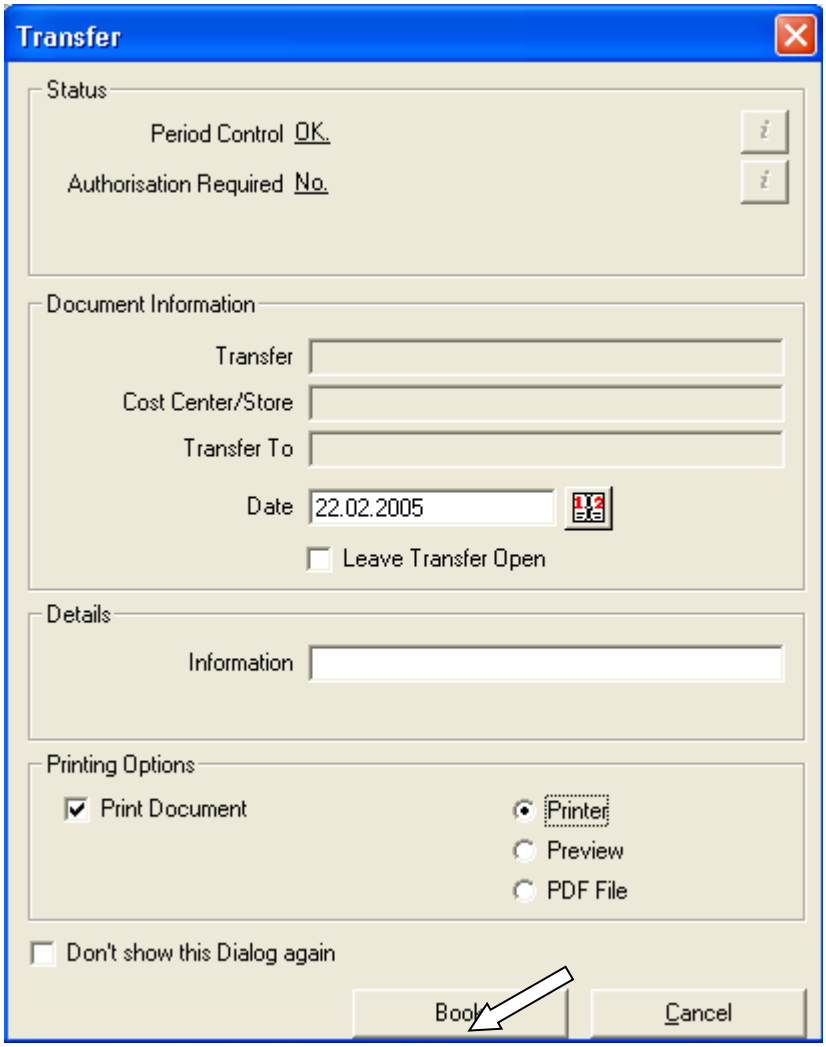

On this window please ensure that the correct quantity is reflected as is physically given out. The quantity column is defaulted with the requested quantity, however you can change the quantity actually given out. Change this in the '**QTY**' column

To effect the transfer click on the Book  icon.

The following screen is displayed.

If the '**Leave Transfer Open**' box is ticked then please un-tick it . 

Select '**Printer**' in the printing options section.

Click on Book Icon  to complete the process.

A STORES TRANSFERS DOCUMENT IS PRINTED WHICH HAS TO SIGNED BY THE ISSUING PARTY AND THE RECEIVING PARTY.
