Materials Control Procedures for Placing an Issues Request

This document is meant to give procedures to all users for placing an issue request from another store.

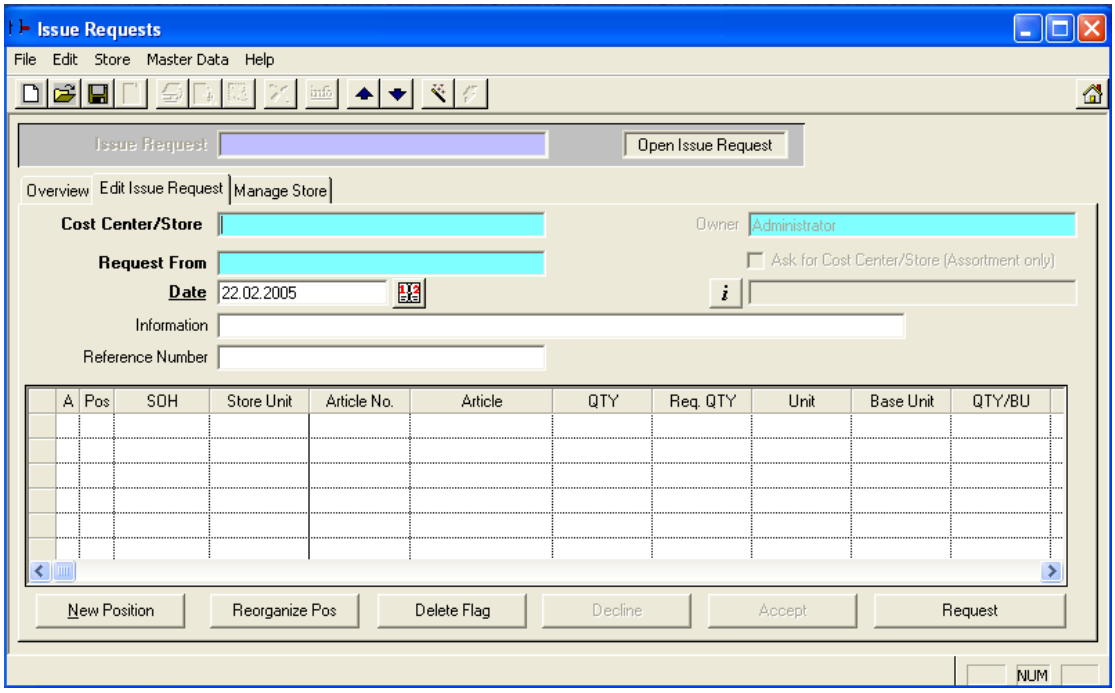

Click on the '**Issue Requests**' Icon 

under the Store short-cut bar, the following screen is displayed.

Click on the Edit Issue Request tab (*shown by the arrow above*).

The following screen will appear:

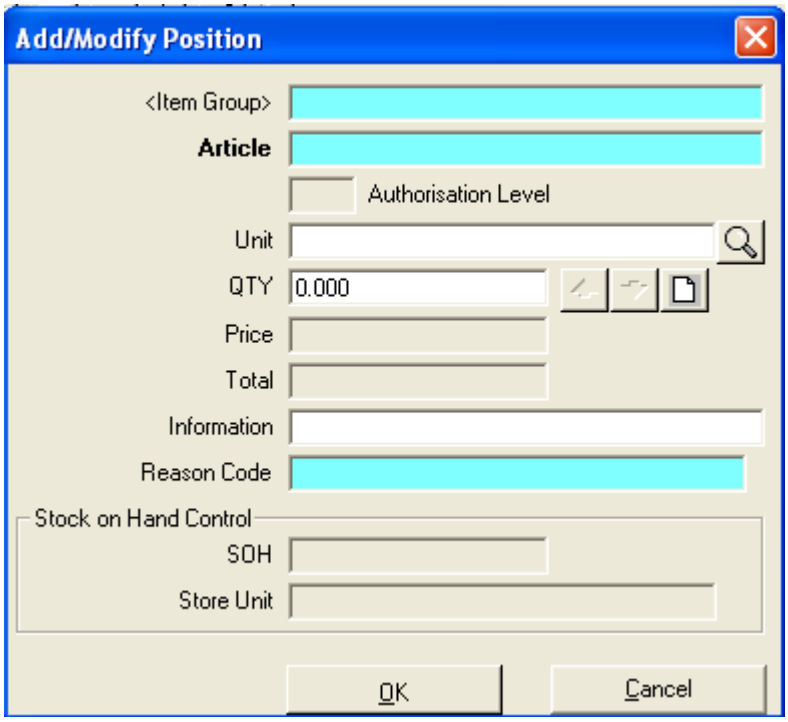

Cost Center/ Store – Enter the Cost centre/ Store or Department where you are placing this request from e.g. house keeping dept., commissary kitchen etc

Request From - Enter the Cost centre/ Store or Department from where you want these goods, e.g. general store, food store etc

Date – The current date is shown here, Click on the calendar icon besides this field to change this date, if need be.

Click on the **'New Position'** Icon . 

The following screen appears:

Item *Group – (This field is*

optional), Press Enter and select an Item group to filter the next field of articles

Article – Press Enter and select the Name of the Article you want to request.

Unit – Enter the Article's respective unit, Click on the '*magnifying lens*' icon  besides this field to change the unit

NOTE : PLEASE ENSURE THE CORRECT UNITS ARE USED.

QTY - Enter the Quantity to Transfer.

PLEASE ENSURE QUANTITIES ARE RELATIVE TO THE UNITS SELECTED

Click Ok  and move to the next Article that you would like to request.

Follow the above procedure to insert all the articles you want to request.

When finished this list of items being requested,

Click on **'Cancel'**  icon to clear the above screen.

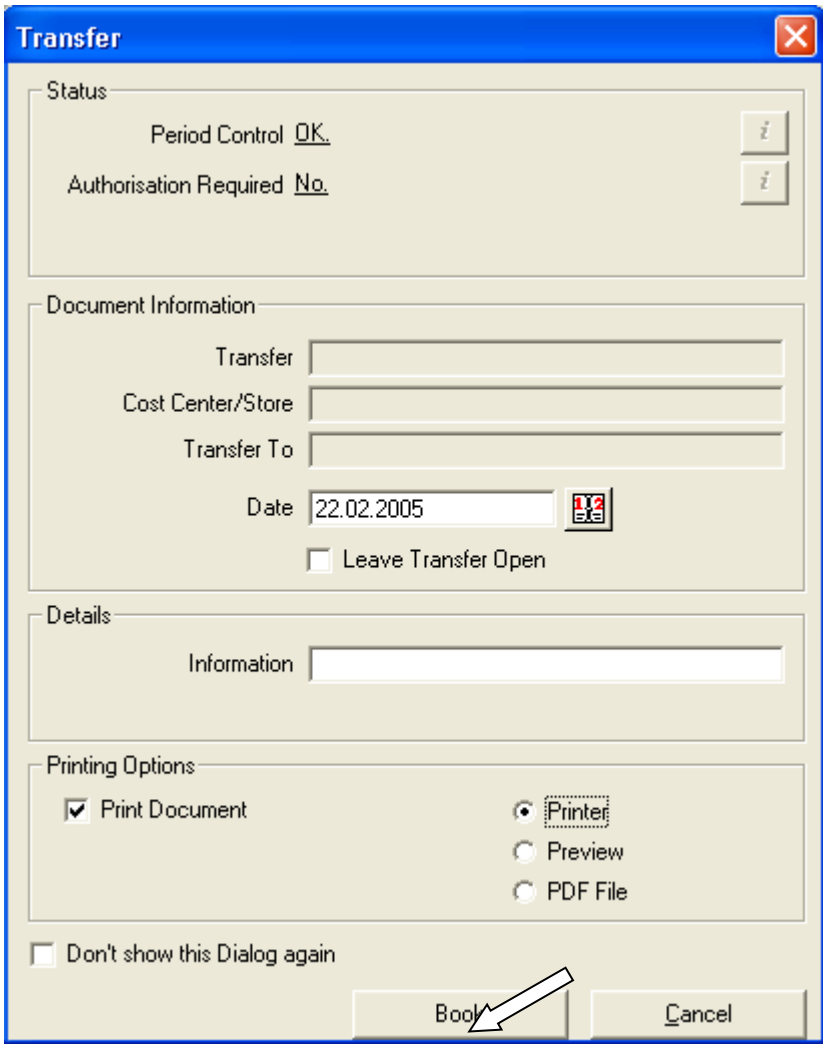

The same screen as the first one on the previous page will be re-appear, this time filled with the items you want to request.

Please verify the following details on this window:

- The Cost centre/ Store or Department you are requesting from
- Cost centre/ Store or Department you are placing this request to
- The Date of the request
- The Articles being requested and their quantities

To effect the request click on '**Request**' icon  .

The following screen is displayed.

NB : AUTHORIZATION MAY BE REQUIRED.

This document is Not normally printed as it has not been authorized however if you wish to print then select '**Printer**' in the Printing Options section of the window above, else select '**Preview**' to view the request document on screen.

Click on Book Icon 

to complete the process.

Steps:

This transaction then has to be authorized, and then the requestor proceeds onto the store along with the print out of this Authorized Issue request to collect the goods.
