Materials Control Procedures for Receiving Goods .

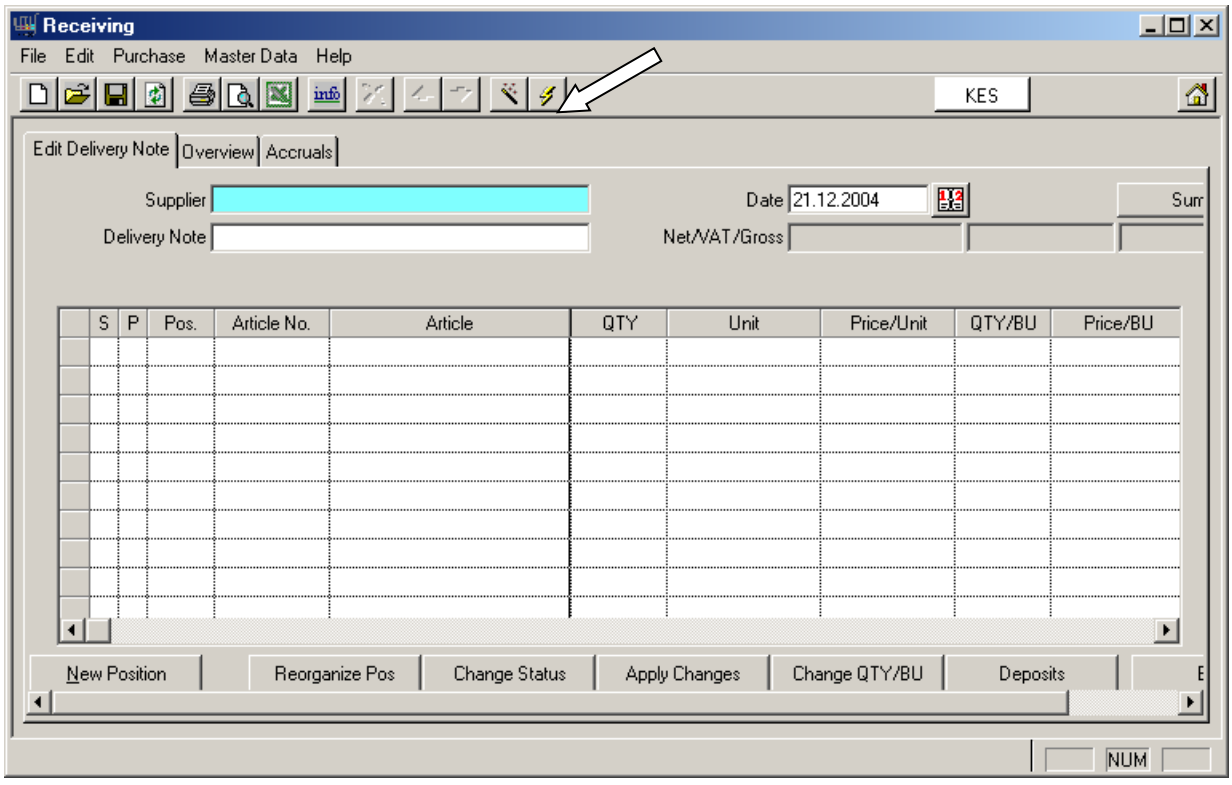

The following document is meant for giving procedures on receiving goods as per an LPO sent out to a supplier.

RECEIVING ORDERED ITEMS

Click on the receiving Icon 

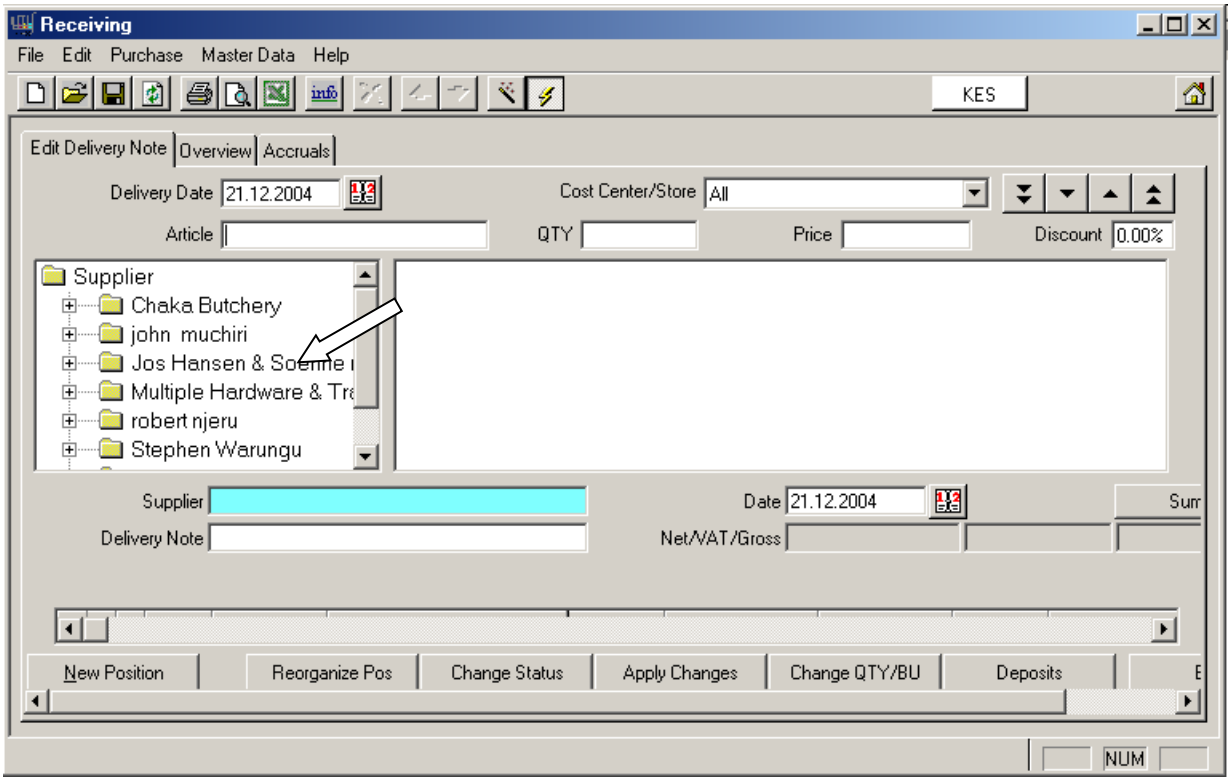

under the Purchasing short-cut bar.

The following Screen will appear.

Click on the Flash  Icon (*as indicated by the white arrow)*.

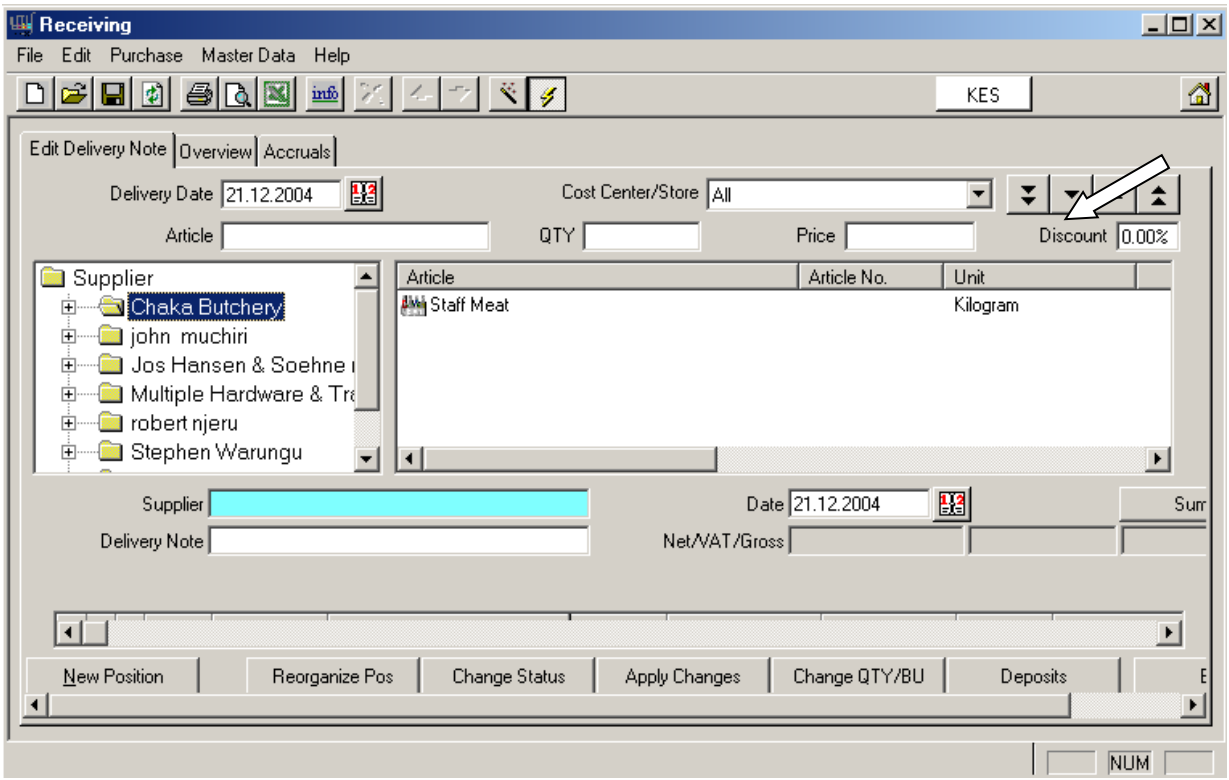

Suppliers whose orders are due will be displayed as shown on the next Screen.

Click on the Supplier Name you want to receive goods from *e.g. Chaka Butchery on the above screen.*

Click on the small expansion boxes (⊞) to see a list of pending LPO's to be delivered

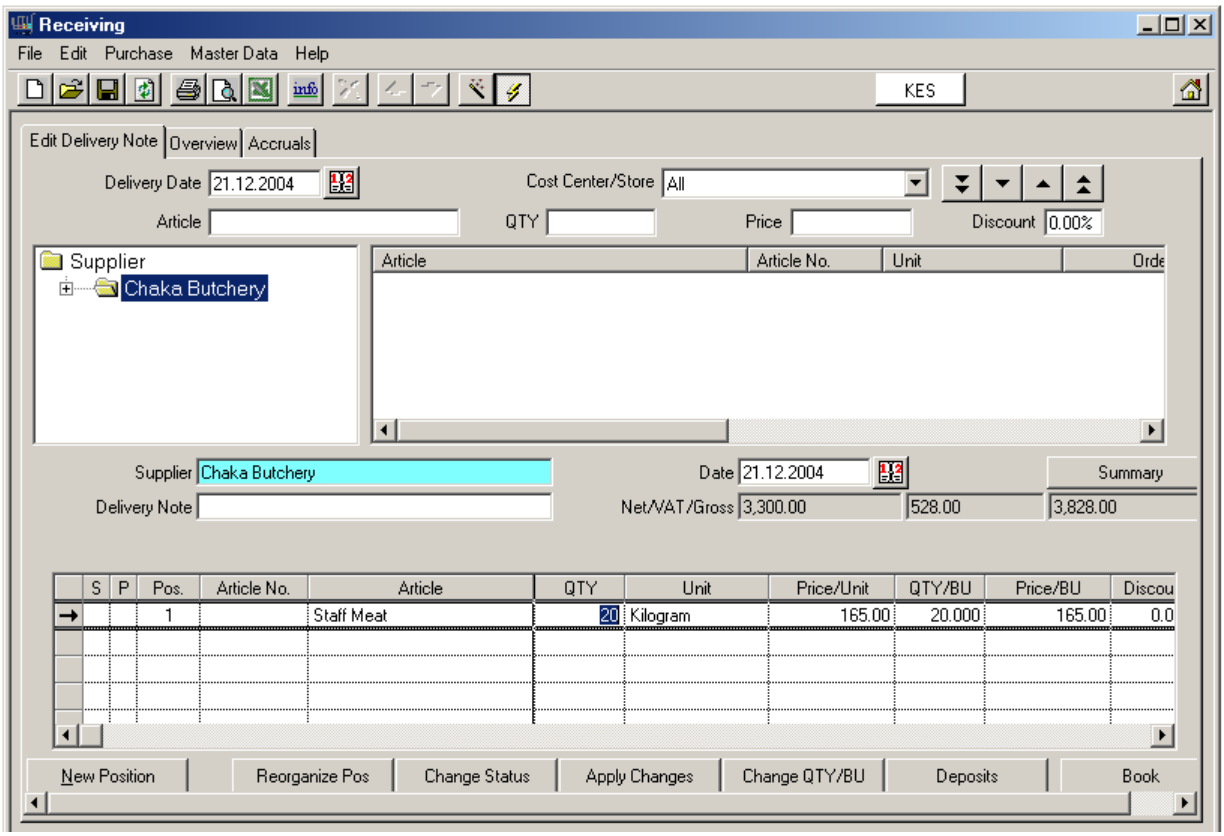

The Ordered Items will be displayed on the adjacent screen as shown on the screen below:

In this case, staff meat is expected to be received from Chaka Butchery.

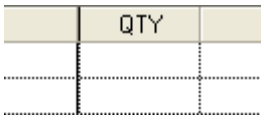

Highlight the Item you want to receive and then click on the down pointed arrow (*as shown by the white arrow*).

This will move the item to the lower section of the window, as shown below.

Please verify the details of the receipt of the good such as the quantity, price, VAT etc

- In case of Partial Deliveries or Over-Deliveries, change the quantity in this stage in the '**QTY**' column.

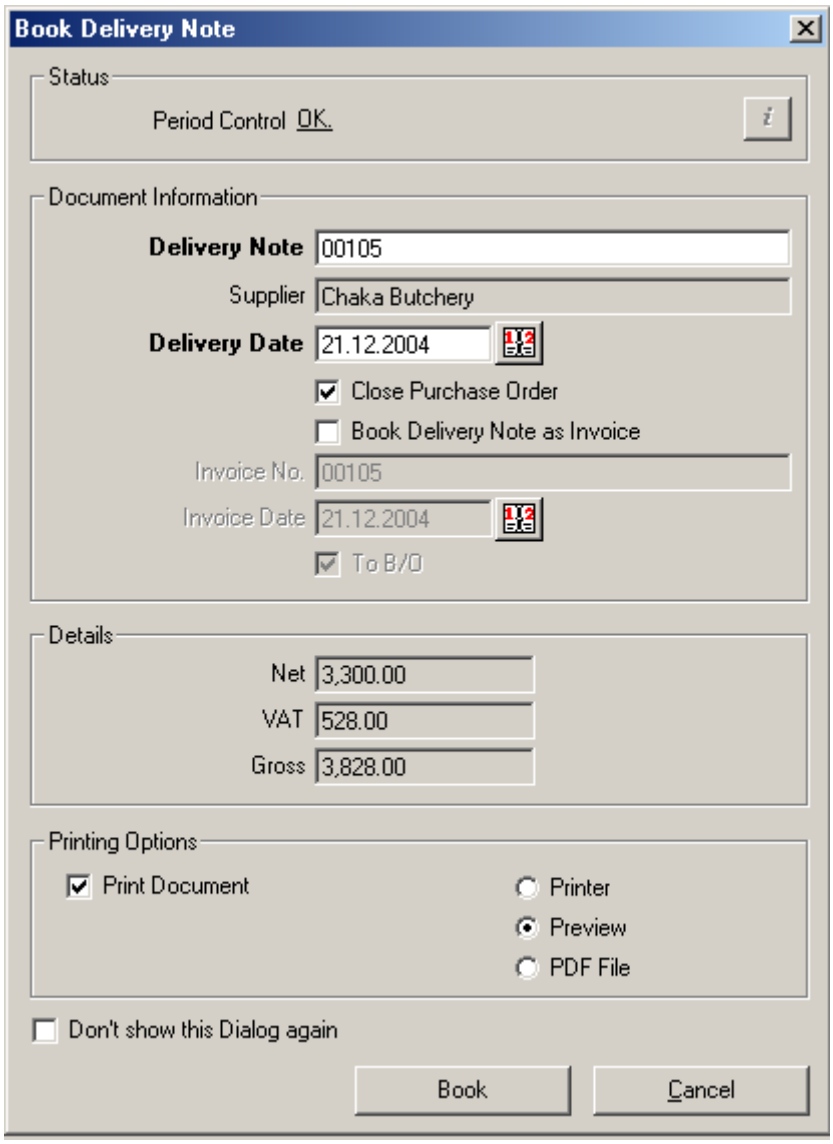

- If there are any Extra charges please indicate them in the E-Charges column.

Repeat the above procedure to receive all items expected on the LPO.

Once verified, click on '**Book**' Icon 

The following screen will then appear.

Please ensure the following on this window:

Delivery Note : Enter/ Confirm the Delivery note number

Delivery Date : Current date is shown, click on the calendar icon beside this field to change the delivery date, if need be.

Note : - If it's a Partial Delivery and you're expecting more goods to be delivered on the same LPO in future then **Remove the Tick** on the '**Close Purchase Order**' to leave the order open.

- To book the same delivery note number as an Invoice Tick on the '**Book Delivery note as Invoice**' box. If not, insert the correct invoice details.

- Please ensure the '**To B/O**' Check box is always ticked

You can either Preview or Print the Delivery note by selecting the option in Priting Options section and then clicking '**Book**'
