The following document is meant to give procedures to all users for placing a Purchase Request through Materials Control.

Your Purchase Request will take the following route:

Purchase Request made on-line

↓

Purchase Request picked up and resolved by purchasing officer.
(This means to input price quotes and assign suppliers)

↓

Resolved Purchase Request sent to Purchasing Manager for appropriate authorization.

↓

Authorization

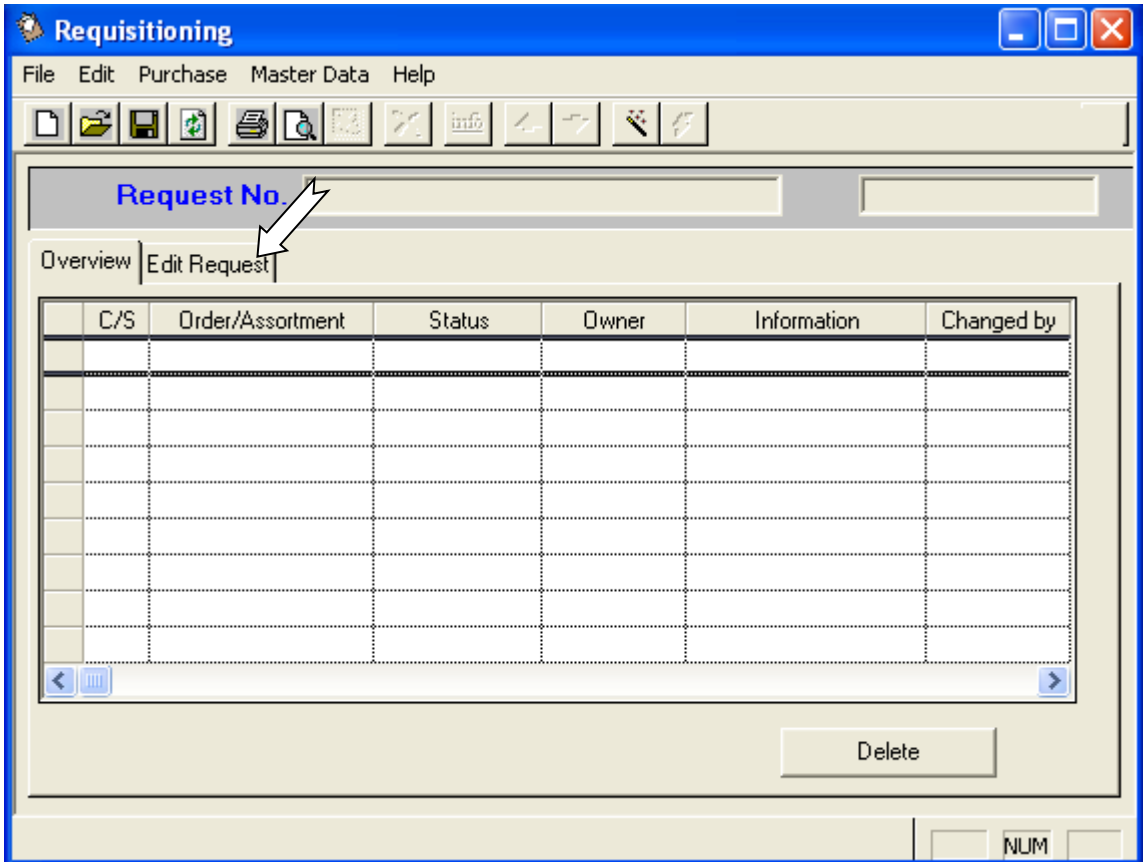

↓

Local Purchase Order Printed and Sent to supplier.

Click on the 'Requisitioning' icon under the Purchasing short-cut bar.

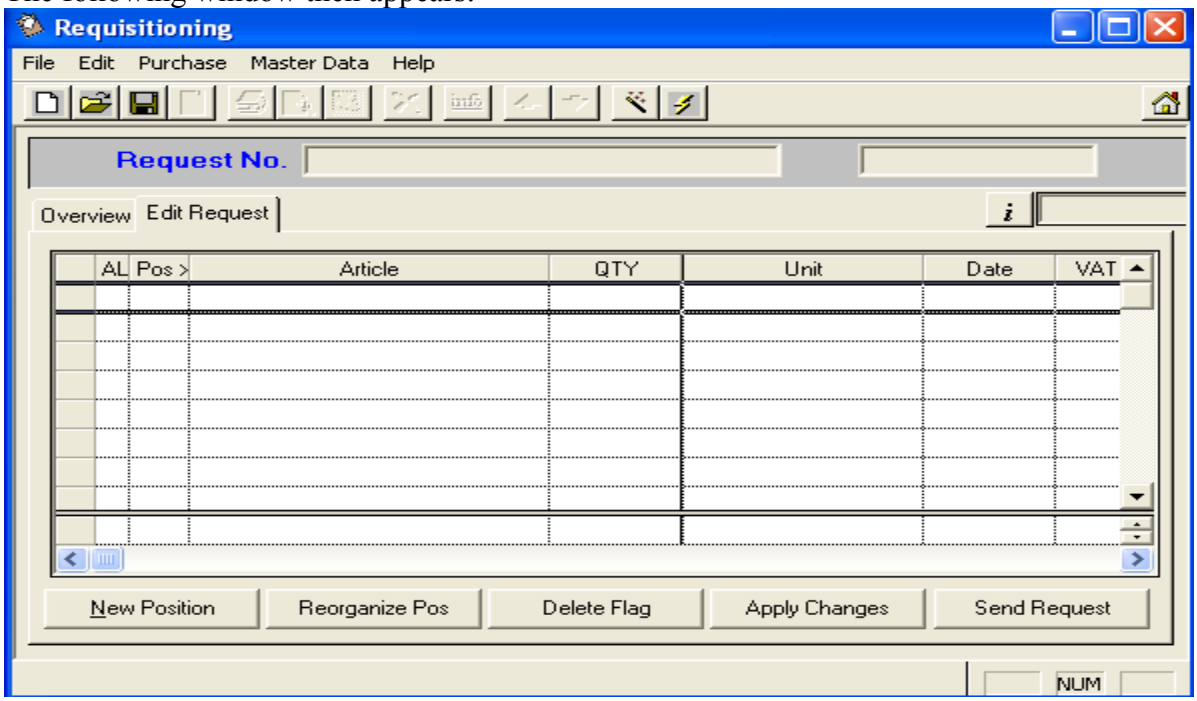

The following window appears:

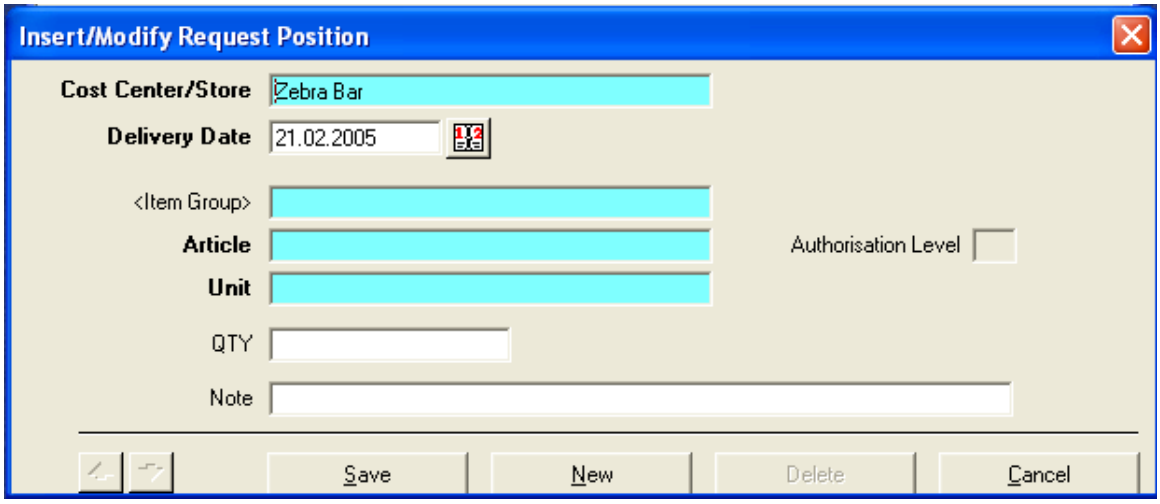

Click on the '**Edit Request**' Tab (shown by the white arrow)

The following window then appears:

Click on '**New Position**'

The following screen pops up:

Cost Centre/ Store : *a default store is shown here,* Delete this and enter the cost centre/ store or department from where you are placing this request

Delivery Date : *tomorrow's date is shown by default,* Click on the icon beside this field to change the delivery date to a future date if you want

Item Group *: This is an optional field to filter the next field of articles to a specific group e.g. Beers, Sodas etc.* Press Enter and select from the list.

Article : Enter the article that you want to request.
Please note that only articles created in the database will appear here.

Unit : Press Enter and select the appropriate unit of the article you want to request.
Please note that only units created in the database can be selected.

Qty : Insert the quantity of the article you want to request.
Please ensure this quantity is relative to the Unit selected in the previous field.

Note *: (Optional) If you would like to send a brief message to the purchasing officer about this particular article please type it here.*

Click on '**Save**'

Follow the procedure above to request all the items you want, when finished;

Click '**Cancel**'

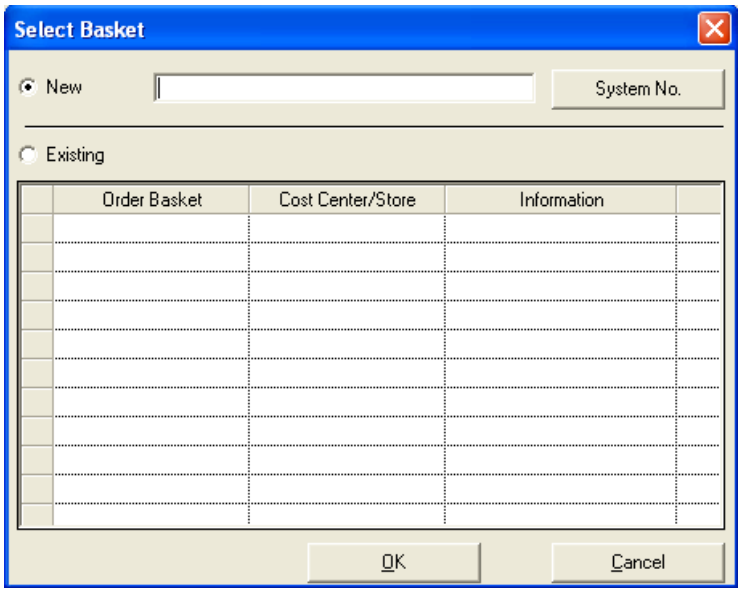

The same window 'Requisitioning' (*as the first screen on the previous page*) is displayed, this time it shows the entire list of items that you want to request.
Please verify the details of your request.

- If you want to add any item to the list click on '**New Position**'
- If you would like to delete any item from this list, highlight it first and then click on '**Delete Flag**'
- If you would like to change the Cost centre/ Store or Delivery date of the items then highlight it first and then click on '**Apply Changes**'

Please note that if you want to insert a comment or any additional information click on the 'info' icon and type your comment 

Once verification/ modification is complete, click on the Save icon at the top  .

The following window appears:

In the '**New**' field (*where the cursor is blinking*) Type the department's name, any reference number or any other information which you want to appear on the Purchase Request. If you want a system generated number click on '**System No.**'

Click '**OK**'

If you want to print out your Purchase Request then click on the Print Icon  or preview it by clicking on the Preview Icon  ; from the option select '**Standard**'

On the next window click on '**Send Request**'
